PRESS RELEASE

Suspension of some health personnel at the Garoua Regional Hospital

The Minister of Public Health hereby informs the general public that following acts of negligence which led to the death of an 8-year old little girl on Friday, May 10, 2019 at the Garoua Regional Hospital, The Ward Charge of the Pediatric Unit, the two full-time Nurses and the trainee Nurse in nursing care on duty when this dramatic event occurred are henceforth suspended from all activities within the Garoua Regional Hospital, without prejudice to any disciplinary action laid down by the regulation in force.

The findings of the ongoing investigation commissioned by the Minister of Public Health will help to establish responsibilities at various levels.

The Minister of Public Health uses this opportunity to express his heartfelt condolences and those of the entire medical community to the deeply afflicted family of the bereaved.

The Minister of Public Health wishes to announce at the same time the establishment of a death review committee at the level of central and external services. /-

Dr. Manouba Malachie
